Because of the nature of the work of each position, each internship has a slightly different schedule. However, throughout the duration of the internship (January-October), there will be group intern outings and opportunities scheduled throughout the St. Louis theatre community. These may take place on weekday evenings or weekend days. Please list any known conflicts that the intern may have, recurring or otherwise.

Please indicate your choice of internship from the list below with the number "1". Then, please indicate your second and third areas of interest and/or experience with the numbers "2" and "3". Assignments will not be made based solely on this indication.

2019 Intern Opportunities:

_____ Director/Choreographer

_____ Stage/Production Manager

_____ Executive Producer

_____ Music Director

_____ Scenic/Prop Designer

_____ Lighting Designer

_____ Sound Designer

_____ Wardrobe/ Costume Design

_____ Makeup Designer

_____ Wig Designer

**For more information about each position, please refer to the intern packet provided.

Please list any previous theatre experience (school, community, etc.) if applicable. Please note that this is in no way a requirement, but will help us better tailor the internship to your specific experience level.

Variety Theatre is an inclusive program, and we encourage teens of all abilities to apply. Please indicate if you (the intern) have a disability below:

Why would you like to be an intern with Variety Theatre? What do you hope to gain from the experience?

Why did you choose your first choice position? What about that position interests you?

What are three things about you that you could bring to Variety Theatre as an intern?

What are your personal strengths and talents that you would like to use and develop through a Variety Theatre internship?

What challenges do you have that you would like to work on throughout your Variety Theatre internship?

What are some things in the St. Louis theatre community that you are interested in learning more about? (people, theatres, experiences, jobs, etc.)

Explain an experience you have had in your school or community that taught you something about yourself and/or about other people?
